NYSUT Member Benefits is excited to announce the availability of the **premium Calm subscription** as a free benefit for all NYSUT in-service members.

The premium Calm subscription provides in-service members with unlimited access to the full library of content at **calm.com** and in the Calm app, which can be utilized via a desktop, laptop, tablet, or mobile device (iOS or Android).

In-service members can add up to five dependents (age 16 or older) to receive their own premium Calm subscription. Dependents can only be added through the **calm.com** site (not the Calm app); dependents will then receive their own premium Calm subscription.

TEACHER TUESDAYS

Tracy Vicere

Farmingdale Teachers
Association

Tracy Vicere has been a special education teacher at Woodward Parkway School in Farmingdale for 25 years. As a childhood cancer survivor, Tracy has a foundation called Friends & Angels: The Tracy Vicere Foundation, to give back to Cohen Children's Medical Center of NY, the hospital that saved her life. Her work with the foundation makes her heart proud and hopefully makes children feel the love that her students send to her every day.
